SUSAN STYERS
Business Manager

President

Murray Reid Thorne

Mr. Thorne assumed the presidency of Holmes Junior College in July, 1976. A native of Iuka, he graduated from Mississippi State University with a B.S. degree in Industrial Education and a M.S. degree in Industrial Education and Administration. He has done additional study in School Administration at the University of Southern Mississippi.

In 1959, he came to Holmes as instructor of Industrial Education. When the Vocational Technical Center opened in 1966, he was named director, a position he held until 1975 when he was made Administrative Assistant to former President Frank Branch. His promotions are indicative of his leadership and his ability to organize. Mr. Thorne is energetic, capable, open-minded, and enthusiastic. Holmes will continue to go forward under his leadership.

President Thorne, Sandra, Michael, and Mrs. Thorne.

Dedication

We take great pride in dedicating the 1977 yearbook to Mr. David Young, director of our band and instructor of instrumental music. During his nine years here, he has developed top bands among the junior colleges in the state. He has brought honor and recognition to our school by the caliber of parades and programs he presents.

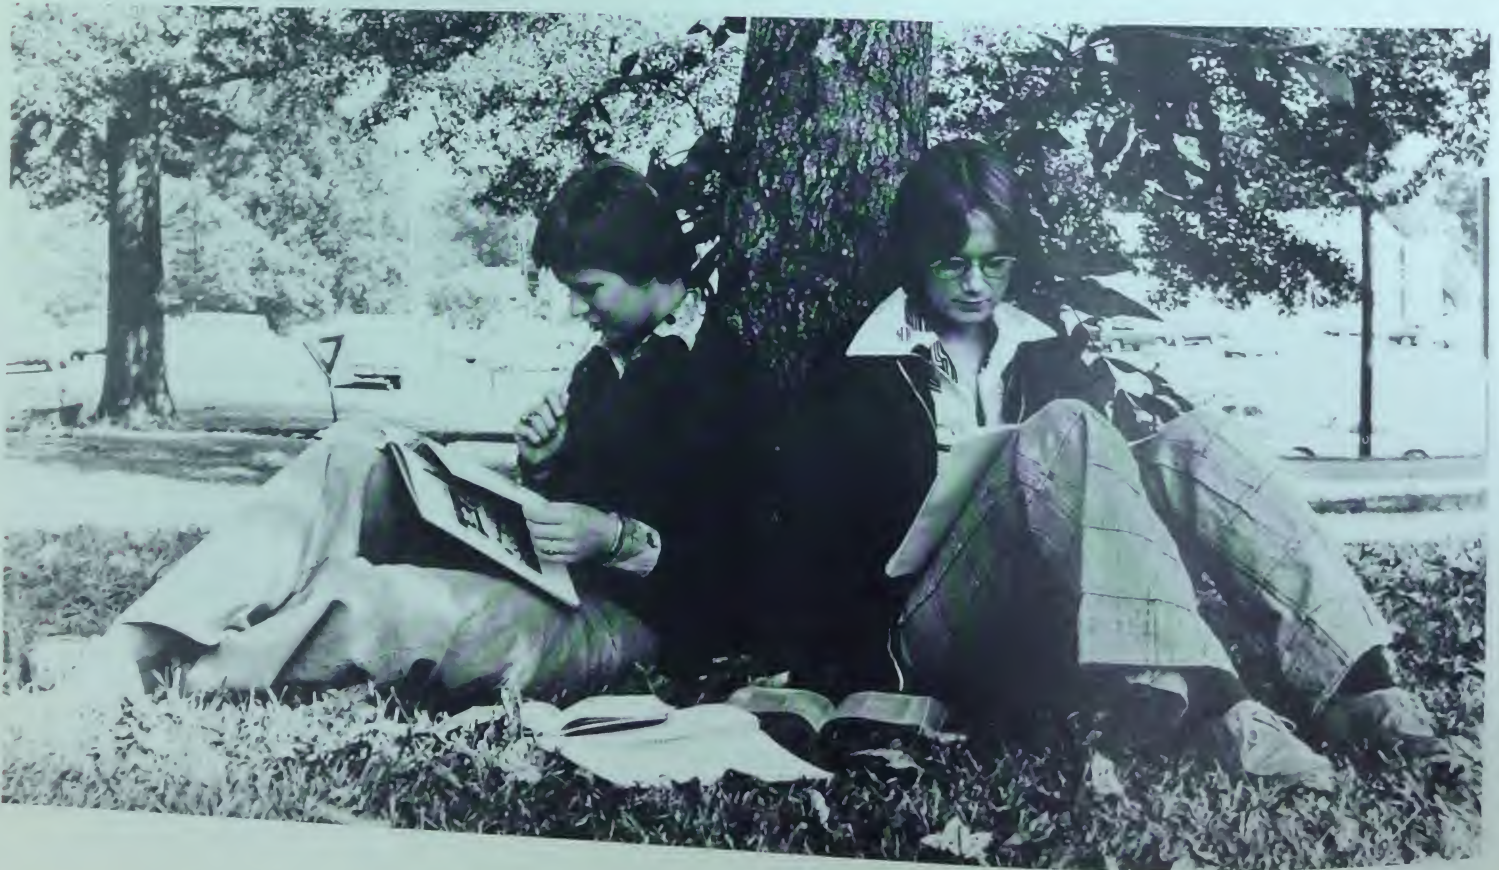

A Christian gentleman, dedicated to his profession, a promoter and developer of ideas, always cooperative and understanding, he has endeared himself to us therefore we take this method of honoring him for his faithfulness and loyalty.

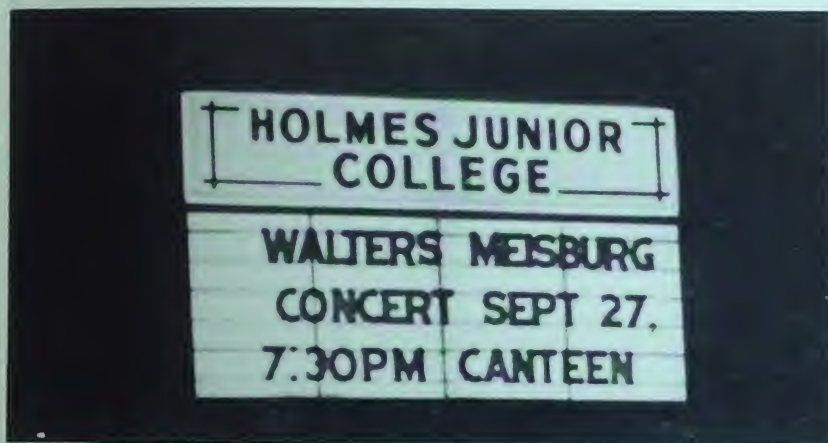

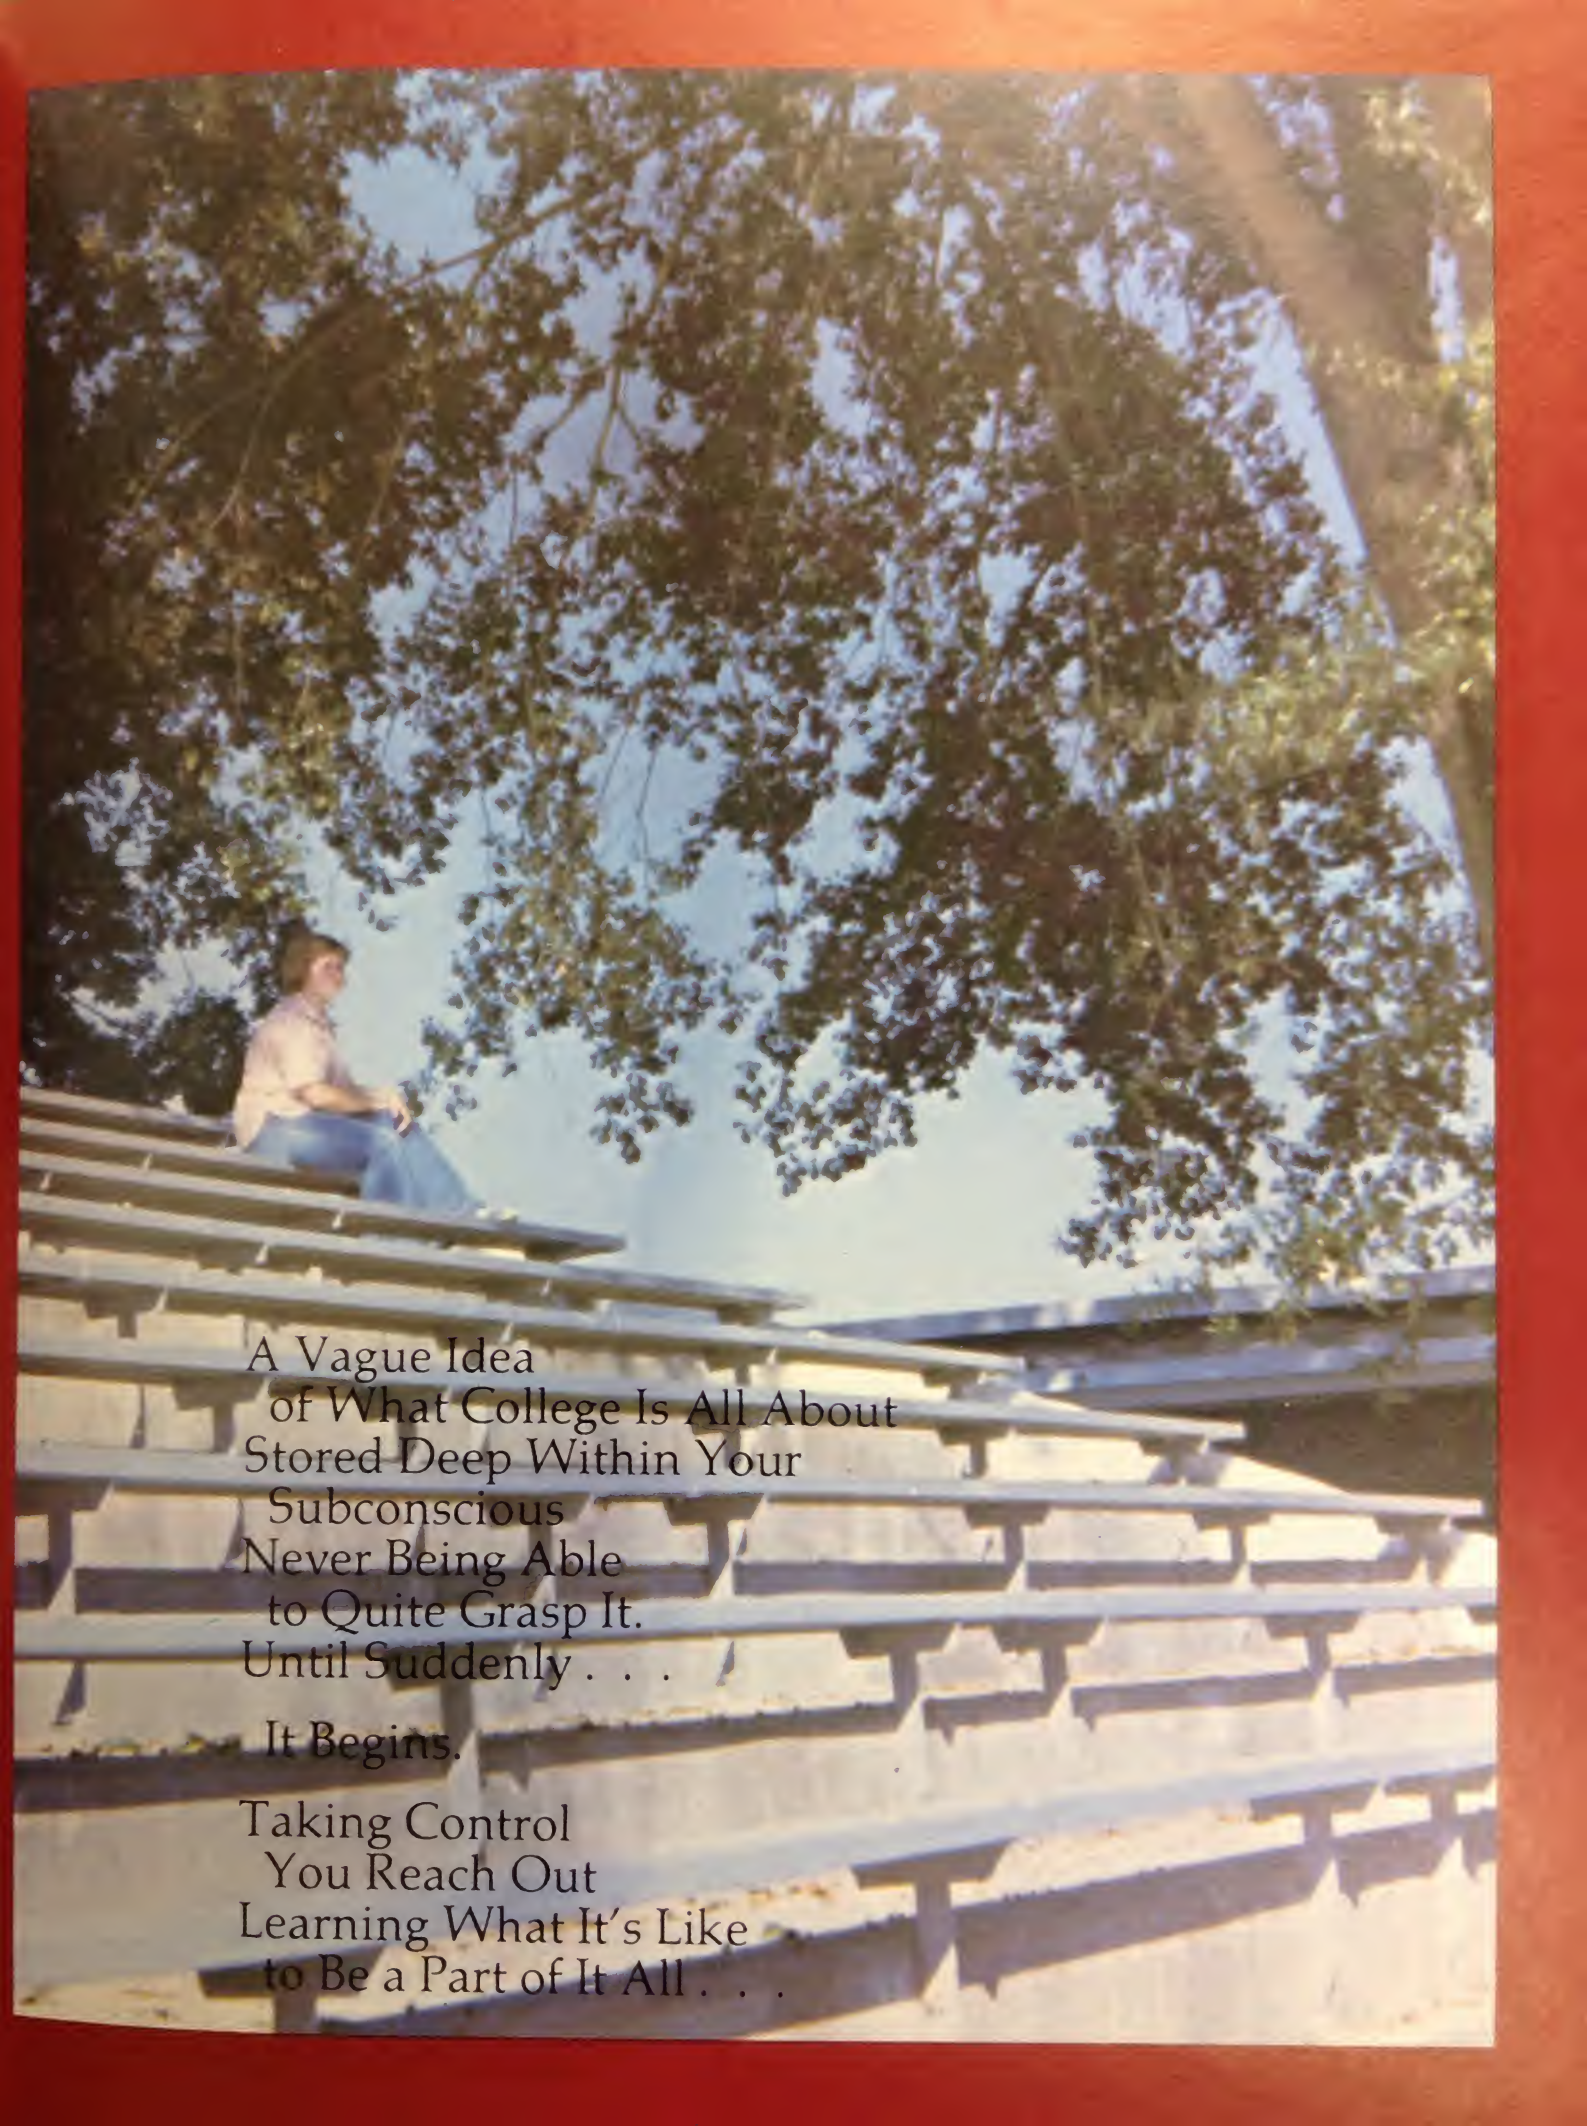

STUDENT LIFE

A photograph of a person sitting on a set of wooden bleachers. The person is wearing a light-colored shirt and blue jeans, and is looking towards the right. Above them is a large, leafy tree with green foliage. The scene is outdoors, and the lighting suggests it might be late afternoon or early morning. The bleachers are made of light-colored wood and are arranged in rows. The person is sitting on one of the higher rows.

Editor's Message

At this time I would like to express my sincere appreciation to the fine staff and to our understanding sponsor, Miss Carithers. Without their long hours of hard work and co-operation this yearbook would not have been possible. I would also like to thank Mr. Rex Best for all the troubles that he took to help us meet our needs.

HORIZONS '77 is presented to you so that it might bring back all the great times and lasting friendships that we have had here at Holmes Junior College.
